

Session 2 – The Values of Evangelism

Questions before watching the video

Before viewing the session, here are a few important things to look for in Dave Ferguson's teaching. As you watch, pay attention to how he answers the following questions.

How many times in the Bible did Dave say we are commanded to love our neighbor?

What three core values did Dave highlight in this session?

What's the difference between a "blesser" and a "converter"?

Deeper Walk

Pray: Continue praying for your eight neighbors. Begin praying that God will align your values with is.

Ask: In your interactions with neighbors this week, make it a point to ask them good questions. You could ask them about their values, their upbringing, and their interests. And you can practice taking your conversations deeper by asking follow-up questions like, "Can you tell me more about that?" or simply asking "Why?" in a non-threatening way.

Listen: When you talk to your neighbor, put down your smartphone. Resist the temptation to speak. Give your neighbor your undivided attention and listen.
